

Beautiful Weddings

*A perfect rural setting for your wedding.
Peace and tranquility in the heart of the Suffolk countryside.*

A warm welcome to Thornham Coach House

Set in the beautiful grounds of Thornham Hall, our charming and tranquil venue is the perfect location for your wedding day. With its original interior features and picturesque grounds, Thornham Coach House offers a comfortable environment for you and your guests. A unique blend of character, warmth, luxury and serenity.

A unique venue for your ceremony and reception

Thornham Coach House is licensed for civil ceremonies and civil partnerships, offering you the chance to exchange your vows and celebrate afterwards in a relaxed and intimate atmosphere. Our romantic setting is also perfect for commitment ceremonies and the renewal of vows.

As a family team, we offer a bespoke wedding service to help you plan your perfect wedding day.

We strive to fulfill your specific needs, from the layout of your venue to the dietary requirements of your wedding breakfast and evening celebrations.

Our spacious dining area seats approximately 60 guests. The beautiful doors along the south side of the dining area lead to a spacious courtyard for al fresco dining in the warmer months. An optional marquee transforms this additional space into a fine setting capable of seating a further 50 guests. From large celebrations to more intimate events, every wedding can be catered for at Thornham Coach House.

Our delicious food

A welcome drink, delightful canapés, a three course wedding breakfast and a freshly prepared evening buffet will enhance your celebrations.

Mindful of your individual preferences, our team of chefs will be at your service to help create your personalised menu. We source our ingredients locally where possible and prepare meals ourselves – we are passionate about food!

You could also celebrate your special day in true English style with our traditional afternoon tea. Our homemade cakes, freshly prepared sandwiches and handmade scones are beautifully presented for that extra touch of elegance.

If you prefer a different culinary experience, other meal choices abound – an exotic themed buffet, a premium Scotch barbeque, a family home style meal...to name just a few.

Evening celebrations

After a perfect day with your family and friends, your venue can be transformed into a stunning environment allowing the continuation of your celebrations into the evening.

We have a well stocked bar offering a good selection of local beverages, bespoke options for your evening buffet and our in-house musical entertainment, all of which would ensure a very special evening.

Accommodation at Thornham Hall

For an extra special touch, overnight accommodation and optional use of Thornham Hall can be arranged. Surrounded by paddocks and woodland, this country house offers three double bedrooms, a reception hall and attractive gardens for you, your family and friends.

Our family team

Thornham Coach House is a family run establishment. Jan, Teik, Louise and Josh work as a very close team ensuring all aspects of your wedding day are carefully and thoughtfully organised.

While it is typical for the bride and groom to liaise with a wedding planner, we at Thornham Coach House offer personalised attention and service from the whole family.

We are happy to organise a large wedding or a smaller, more intimate celebration as we are keen to host a variety of themes to suit every budget.

We understand your wedding is special and we shall be delighted to assist you in planning your perfect day.
